L.F.S. TIME SERIES TABLES - FEB 1978 - JULY 1984  
FROM INF200T TO INF200T

0001

The image displays a 10x10 grid of 100 identical rectangular panels. Each panel is filled with a dense, repeating pattern of small, dark, rectangular shapes, which appear to be a highly textured surface or a barcode-like pattern. The panels are arranged in a uniform grid, with each panel occupying an equal portion of the overall image area. The pattern within each panel is consistent across all 100 panels, creating a highly structured and repetitive visual field.
